

2023 GSPCI Calendar of Special Events

Established in 1948, the German Shorthaired Pointer Club of Illinois (GSPCI) is dedicated to advancing the popularity of this versatile breed. With over 120 member households, mostly in northern Illinois, we are one of the largest and most active dog clubs in the area.

With the German Shorthaired Pointer (GSP) being a hunting breed, our members are out and about with their dogs. Whether it's hunting, hunting competitions, obedience, agility, conformation, or just out running them, our members are an active and outdoor oriented group. GSP ownership is not a requirement to be a member, any dog enthusiast is welcome.

Dates are subject to change. Please check club website for updates

February 5	Annual Meeting (Bass Pro Shops, Bolingbrook)
March 11	Top Dog Competition (Des Plaines SFWA – West Grounds)
March 12	Introduction to GSPCI Field Training (Des Plaines SFWA – East Grounds)
